

1. Do you employ Negroes?

Yes

No

2. Will you list below some of the jobs in which they have been employed successfully? (Please keep in mind our interest in pointing up success of Negroes in skilled and white collar jobs).

We have one Negro - in our employ - as Shipping Clerk  
Thursinger (he is crippled - and has been <sup>with</sup> us for six or  
seven years -), we find him to be most trustworthy -  
and nice -

3. If you have had any special experiences that would prove interesting or of value to us in our work, would you please indicate this here so that a representative of the New Jersey Urban League might get in touch with you for fuller details?
